Information Disclosure Statement

Applicants have submitted an IDS with their RCE. The IDS lists European Opposition Documents for EP No. 1 012 274, as well as nonpatent literature cited in the Opposition Documents. The references and European Opposition Documents have been fully considered. The contents of the IDS do not affect the patentability of the claims of the instant application. The issues raised in the Opposition Documents, such as written description, while relating to the claimed subject matter do not change the determination of patentability.

The terminal disclaimer filed on 10/29/07 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 7,060,272, 6,943,020 or 6,461,823 had been reviewed and remains accepted. The terminal disclaimer has been recorded as noted in the previous Office action.
